

Bar L Equine Conditioning Center Price List Conditioning Services

Fitness 4 Package-----\$380

*Includes 4 sessions of red light low level laser application, 4 Equi-vibe total body vibration sessions, and 4 Aqua Pacer Water Treadmill sessions. A great pkg. to "jump start" your horse toward improved physical fitness for performance. (\$95 per session)

Fitness 6 Pack-----\$520

*Includes 6 sessions of assessment & low level laser (red light) application, 6 Equi-vibe total body vibration sessions, & 6 Aqua Pacer Water Treadmill Sessions. The best fitness pkg. we offer. (\$85 per session)

Myofascial Release added to Pkg.-----\$50

*Includes hands-on tissue release session which helps release "stuck" myofascia & soft tissue. This is an intensive hands-on bodywork process that is indicated on many horses after they receive initial assessment, red light, and vibration when assessment reveals a tissue problem.

****The myofascial release session charge will be added in addition to the package price.****

Rehabilitation Services:

*Rehabilitation is tailored to horses which have been laid off due to injury, surgery, or illness & are in need of body balancing & slow return to fitness. This also includes horses which are in training or performance but have been unable to progress due to aggravation of an injury or illness. Rehab horses **are not** put in the Aqua Pacer.

Standard Rehab 4 Session Pkg-----\$250

*Includes 4 sessions of Red Light Low Level Laser assessment and application including accu-point stimulation, and bio-stimulation of affected areas if indicated. Also includes 4 Equi-Vibe total body vibration sessions & Equinecisor free-flow walker if indicated. (\$63.50/session)

Rehab. 6 Pkg.-----\$370

*Includes 6 sessions of red light laser assessment and application & 6 Equi Vibe sessions. This pkg. is designed for horses needing 2-3 sessions/week. Ideal for in-house horses \$62/session.

****Please note:**** All packages must be purchased *up front* and are limited to one individual Client. The individual client may choose to split package services between his/her *personal horses* as long as the services each horse receives are identical. Pkgs. are non-transferable. to friends or relatives.

****ALL PACKAGES MUST BE USED WITHIN ONE YEAR OF PURCHASE DATE****

Bar L Equine Conditioning Center

Individual Services:

Fitness Intro Session:-----\$120

*This is for 1st time horses that have NOT previously received any services from Bar L Equine Conditioning Center & owner does not desire to purchase a pkg. of services. Introducing 1st time horses to our modalities requires additional time and handling necessitating the upcharge.

Individual Conditioning Session-----\$100

*This is for horses that have used our conditioning modalities previously and whose owners prefer to purchase conditioning sessions (red light, vibration, and water treadmill) a-la-carte/one session at a time. Each session includes red light laser, vibration, and water treadmill.

Individual Rehab. Session (RL, Vibe, Equineciser)-----\$70

Individual Red Light Laser-----\$50

*Includes pre-laser assessment to determine potential problem areas followed by laser application.

Individual Equi-Vibe Session-----\$25

*Includes 20min. On the Equi-Vibe plate which increases total body circulation, improves bone density, and helps relax and tone tight muscles, tendons, and ligaments.

Individual Myofascial Release Session-----\$75

*Includes assessment, red light application to affected areas followed by intensive hands-on myofascial release technique to help improve soft tissue integrity and release compromised myofascia.

Respiratory Enhancement-----\$30

Includes normal saline nebulizer inhalation & (if indicated) possible use of essential oils and/or silver sol solution to aid in clearing lungs and airway of allergans or other enviornmental contaminants to enhance performance and well being
